About the Speaker

Laurie G. Semple earned her A.A.S. degree in dental assisting and B.S. degree in Allied Health Education from Ferris State University. She is a Certified Dental Assistant, Registered Dental Assistant

and Dental Practice Management Assistant. She is an active member of her national, state and local dental assisting associations and is currently serving as program coordinator for the dental assisting program at Tarrant County College in Hurst, Texas. Ms. Semple has over thirty years clinical and practical experience in the dental profession as a clinical chairside assistant, practice manager, educator and presenter.

General Information

Attendance is limited, so register early.

Registration Deadline: July 23, 2010

Cancellation Policy

Cancellation/refund deadline: July 23, 2010

A 20% administrative fee will be assessed for all cancellation requests. Since this is a limited attendance course, "no shows" will forfeit the full course fee.

No refunds will be granted after July 23, 2010.

Send a written request to:
Dallas County Dental Society

Dallas, TX 75244

Course Intent

This program is specifically designed to prepare the dental auxiliary to obtain certification in nitrous oxide monitoring as mandated by the Texas State Board of Dental Examiners (TSBDE). A comprehensive review on the general guidelines and industry standards for nitrous oxide conscious sedation will be presented. You will learn:

- history of nitrous oxide administration
- sedation equipment
- respiratory anatomy and physiology
- pharmacology of nitrous oxide
- inhalation sedation phases and stages
- patient monitoring
- staff safety and hazards
- infection control protocols
- legal considerations

Participants must bring a highlighter and two (2) sharpened pencils. You will be contacted to send additional REQUIRED information after registering for the course.

Dallas County Dental Society

is an **ADA CERP** recognized provider.

ADA CERP[®] | Continuing Education
Recognition Program

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. DALLAS COUNTY DENTAL SOCIETY designates this activity for 8 hours of continuing education credit.
